

OfficeRight™ Folder DF800™

Easy to operate.

Simply follow menu prompts on the backlit LCD control panel. Users can run a trial piece to see exactly how your document will look when folded, ensuring a crisp, accurate fold every time.

High-speed reliability

- Eliminate tedious manual folding.
- Minimize repetitive tasks.
- Achieve a crisp, professional fold every time.
- Get mailings out the door faster.

Get a perfect fold every time.

Folding paper by hand is tedious and time consuming. It also yields inconsistent results, and that can reflect poorly on your business. Now, you have an easy way to make a great impression.

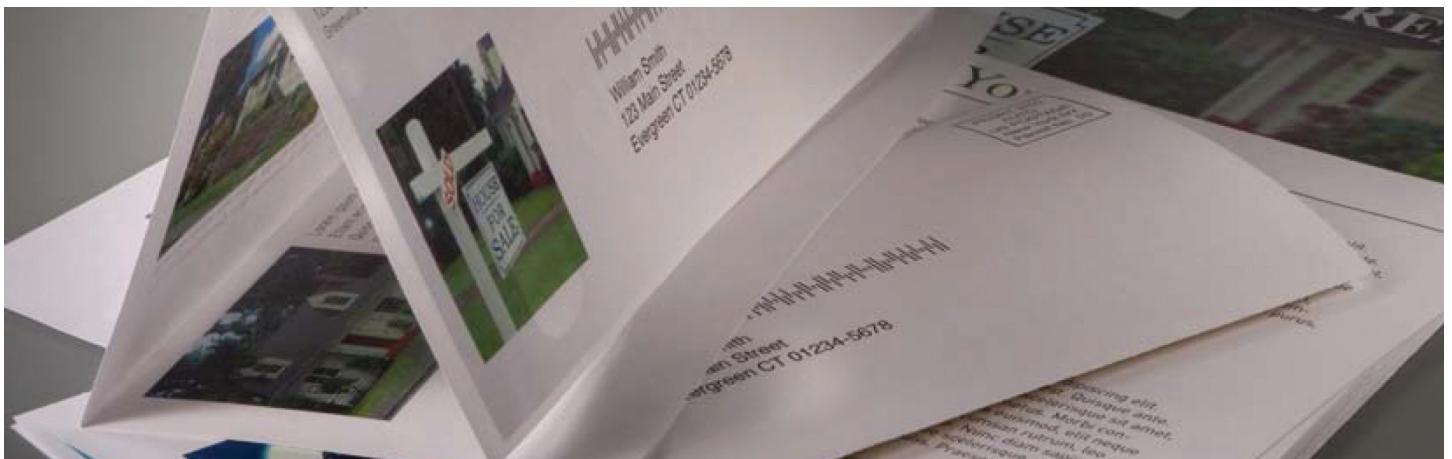

Because it's so reliable and easy to operate, you can be confident that anyone using the DF800 will deliver professional results, quickly and effortlessly.

Create a variety of folds, using a wide range of paper sizes and weights. Store routine jobs for instant, effortless setup. Refill paper as needed, without interrupting your workflow. Whether you're folding invoices, newsletters, correspondence or brochures, you'll get the job done faster, with superior results.

One compact system handles all your folding needs.

The DF800 folder packs a lot of performance into a small footprint. Place it wherever you need it, to eliminate manual folding and watch your productivity soar.

- Fold up to 13,000 sheets per hour.
- Engage customers with sharp-looking letters, brochures and inserts.
- Choose from 7 standard folding options.
- Set up jobs in no time using built-in wizards.
- Preset and set up to 20 jobs, making it easy for anyone to operate.

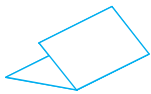

Increase your productivity a hundredfold.

Fold it your way.

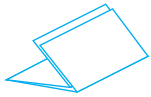

The DF800™ folder handles paper weights from 14 lbs to 32 lbs, and paper sizes from 5"x5" to 9"x16".

Choose the ideal fold for your job from seven popular options.

- Single-fold
- Double-fold
- Letter or C-fold
- Offset C-fold
- Z-fold
- Offset Z-fold
- Gate-fold
